Jozi Telles

Amazona vinacea

Monitoring

The Social Service of Commerce (SESC) promoted a Nature Walk at the [Araucárias National Park](#) . Check out the beautiful picture that Jozi Telles took on her the way to the event! Through citizen science the community helps monitoring the [vinaceous-breasted amazons](#) released in this federal protected area.

Awards

[Instituto Espaço Silvestre](#) received its first international award . We have been recognized as one of the top 50 social and environmental projects in Latin America in the *Biodiversity and Wildlife* category. They analyzed 1407 cases of 25 countries and 513 cities . The [Premios LatinoAmerica Verde](#) event occurred between 23 and 25 August in Equator.

On August 26 we received the [Premio Expressão de Ecologia](#), the highest environmental award in southern Brazil recognized by the Ministry of Environment. The *Onda Verde* trophy was received during the 2016 Sustainable Management Forum in Florianópolis.

Travelling photographic exhibition

The travelling photographic exhibition of the vinaceous-breasted amazon reintroduction project is in the [Sala Verde Itajaí](#) until the end of September.

Illegally kept vinaceous-breasted amazon

Towards the fifth release

Thanks to the [Fundação Grupo Boticário](#), we are preparing for the fifth release of vinaceous-breasted amazons in the Araucárias National Park! We seek partners to acquire radio collar and renew the acclimation enclosure. Want to help? [Contact us](#).

Generating employment and income for women in Ponte Serrada

The new group of Ponte Serrada women participating in the

[employment and income generation project](#) was named *Por um Fio* (by a thread). The name, chosen by the members, refers to the sewing work to which they are dedicated and the threatened status of the vinaceous-breasted amazons.

Sponsors

We are constantly looking for new partners and financial support. Please contact us to help save *Amazona vinacea*! For more information, visit our [website](#).
